

# your local transportation provider

With nearly three decades of experience in transportation solutions, FST is the shipping partner you need.

## Temperature-controlled transportation solutions

Our trucking and warehousing solutions are tailored to the exacting requirements of the food and beverage industry.

## Ideal location for your business

Centrally located in Ohio, we deliver LTL to more than 15 major cities (nearly 50% of the US population) within *one day*.

Food and grocery is our specialty

We work with young, high-growth, emerging businesses to large and long-established ones.

## The difference is in the details

We focus on the highly specialized services that matter most to your business:

- ✓ Keeping your products in a **safe environment**
- ✓ Providing you with the most **cost-efficient routing**
- ✓ Guaranteeing dock-to-dock delivery to ensure your products arrive **on time**
- ✓ Providing **real-time reporting** tailored to your business requirements
